Maximum Retail Price (MRP) Change Circular

Dear Valued Partners,

Pursuant to the recent announcement by the GST council in its 56th GST Council meeting held on 3rd September 2025, and subsequent Press Release issued by the Ministry of Finance, there have been changes in the Goods and Service tax (GST) rates for certain product categories. The revised GST rates shall be effective from September 22nd, 2025.

We welcome this positive step by the government of lowering the GST rates and we are committed to pass the benefit on account of reduced GST rates to the consumers by way of reducing MRP. We, at HRIPL, are passing the full benefit to consumers by reducing MRP of the products.

Please find below current MRP and Revised MRP (reduced MRP)* effective September 22nd, 2025, as per Annexure.

* **Note:** For a limited period, these products may be available in the market with both the old and new MRP. Consumers are advised to check for the lower MRP before purchase, as consumers are entitled to purchase these products at the lower MRP pursuant to revised GST slabs from September 22nd, 2025.
